Tailored solutions in timber

New products, new opportunities

Arden Windows has launched a number of new and enhanced products to achieve exceptionally competitive pricing for 2009.

Arden's family of products has never been so advanced and comprehensive with new Tilt & Turn, Top Swing and Bi-fold doors now available in both FSC hardwood and softwood. Take a look at our 'family tree' [opposite] for an 'at a glance' summary.

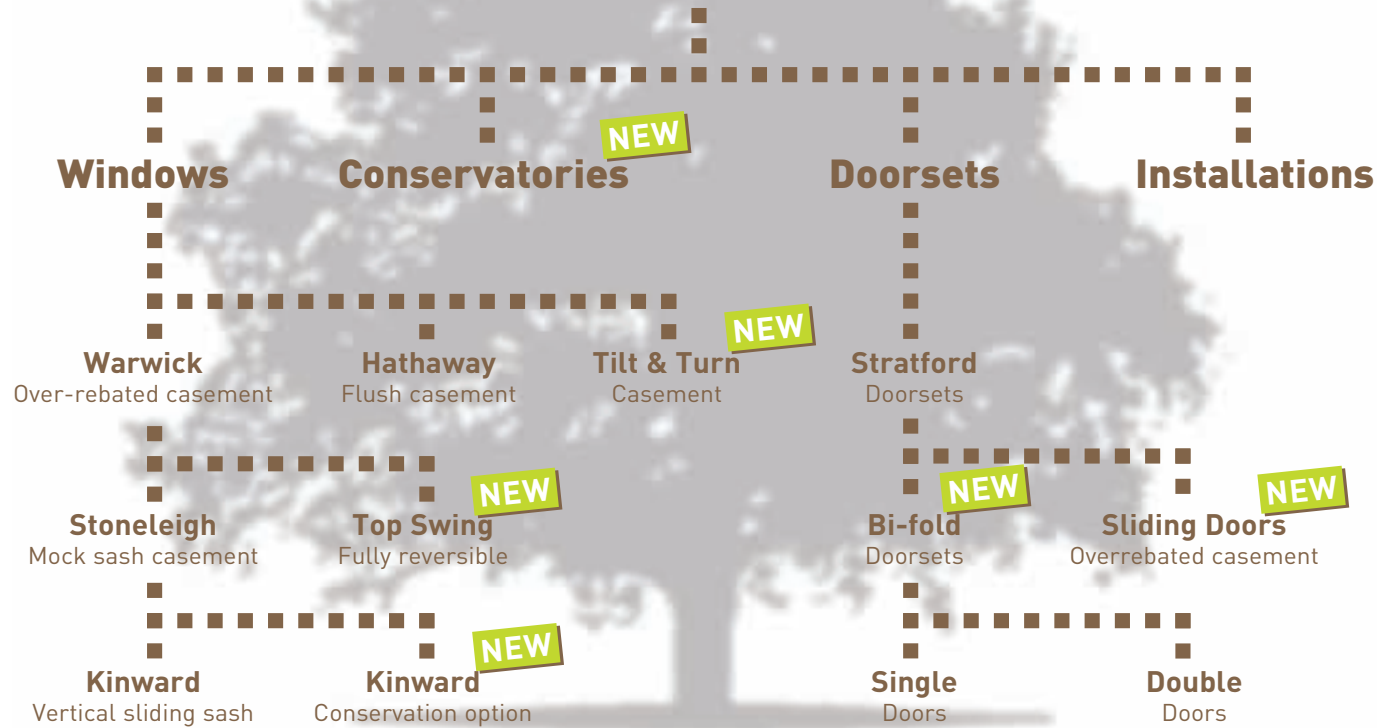

Lower cost and improve margins

We believe that it benefits both us and you to purchase all your requirements from one source.

We benefit from simpler customer management and higher volume; you benefit from lower cost. Simplify your procurement and improve your margins with Arden Windows in 2009. For more information visit our website: www.ardenwindows.net

We also install — ask us to quote on supply & fit projects too.

Arden Windows Ltd Product and Services Family Tree

New products
Competitively priced

Order now and benefit from:

- SBD for free on casement windows and doorsets (excluding laminated glass*); products will be fitted with hardware required for SBD certification at no extra charge
- FSC hardwood and softwood
- Extended 35 year guarantee with Boron timber preservative – 5 years more than the standard VOC solvent based vacuum treated softwood timber equivalents
- Lower than 1.3 U-values across casement window range systems as required.

*Refer to your local CPDA or ALD for advice on whether laminated glass is required for SBD certification.
