

Customer Requirements Sheet

To help you with specifying your window and door requirements, please follow the three simple steps shown below. Enter all the information **then email or fax this sheet back to us for an initial estimate**. This sheet can also be downloaded from www.ardenwindows.net/surveying-guide

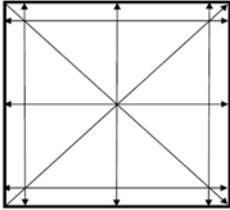

FAX : 02476 237317 EMAIL: info@ardenwindows.net

Step 1 Measure your window and door openings

Step 2 Decide what **style** you want

Step 3 Decide on the **finishing touches**

STEP ONE : MEASURE

Measure width and height at three places, brick to brick from the outside, including the diagonals as shown. Don't assume the opening is square!

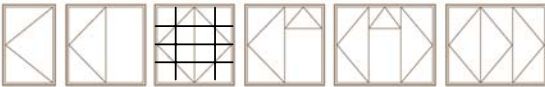

See www.ardenwindows.net/surveying-guide for more information. Note that a full survey can be arranged but is chargeable.

STEP TWO : CREATE YOUR STYLE

Leaded

For casement windows (Warwick, Hathaway and Stoneleigh) please sketch a simple line drawing of what you want in the opening as per the example window styles above. Use an arrow to point to the hinge position of each opening sash. Further guidance is available at:

www.ardenwindows.net/window-terms

BAYS: further guidance can be found at: www.ardenwindows.net/bay-windows. For **bi-folding door** configurations, download the bi-fold door leaflet at www.ardenwindows.net/bifold-doors

For **vertical sliding windows** please put the word 'Kinward' in the relevant window style box. For **Georgian plant-on bars** please put the word 'Plant-on bar' in the relevant window style box.

STEP THREE: FINISHING TOUCHES

Handle colour

Colours include white [W], Gold [G], Bright Chrome [BC], Satin Chrome, [SC] or Black [B]. Visit www.ardenwindows.net/ironmongery for handle pictures and colours.
