

## Standard RAL Colour Options:

Other colour finishes are available on request but may be subject to additional cost.

Dual colour (different colour internal & external) is available at additional cost – Please ask

### **Please note:**

- The above images are indicative only and may not accurately reflect the exact colour of the finished product. Painted swatches are available on request.
- The service-life and required maintenance cycles of finishes and frames are subject to and affected by many differing environmental factors such as proximity to a coastal areas, direction the frames face, and the colour selected. For Example Dark coloured frames on South facing elevations will require a much more regular maintenance regime than White frames or frames on North facing Elevations. **Please consider this when selecting colours.**
